PID 45358314, 45366986, 45055167, 45276441,

Land Use By-law Text Amendment

Public Hearing Closing
October 26, 2021

Application

- A completed application was received on May 6, 2021 from Mitch Brison to consider reduced minimum lot specification requirements in the Single Unit Residential (R-1) and Two Unit Residential (R-2) zones in Windsor for specific PID's on Payzant Drive
- The lots are owned by Brison Developments Limited and 3229190 Nova Scotia Limited; Mitch Brison is the Director of those companies

- If approved this amendment would only apply to the specific PIDs listed, not every property zoned Single Unit Residential (R-1) or Two Unit Residential (R-2) in Windsor
- These are **minimum** lot specification requirements
- The National Building Code takes precedence over the Land Use By-law, therefore if this amendment is approved and added to the Windsor Land Use By-law the developer will still have to follow the National Building Code requirements for those reduced lot specifications
