

WATER/WASTEWATER TREATMENT PLANT OPERATOR

Full Time Temporary Position

**BRING YOUR POSITIVE ENERGY AND BE A PART OF
NOVA SCOTIA'S NEWEST REGIONAL MUNICIPALITY**

something inspiring awaits

West Hants Regional Municipality is a diverse collection of rural & urban communities conveniently located in equal proximity to Halifax, the Valley, and Truro; yet its own cultural blend that brings quality family living, diversity, fun & festivities, and service centres together. If you are enthusiastic and driven and want to be part of a fun, energetic and welcoming team; we're INSPIRED and ask you to keep reading!

We strive to be an inclusive and diverse workforce that is representative, at all job levels, and of the citizens we serve. We welcome applications from Indigenous, Inuit and Metis People, African Nova Scotians, and other racially visible people, persons with disabilities, members of the 2SLGBTQQIPAA community, and femme-identifying people. If you are a member of one of the equity groups, you are encouraged to self-identify, either in your cover letter or resume.

If you are inspired with this work environment, you are encouraged to apply for our **Temporary Water/Wastewater Treatment Plant Operator**.

Reporting to the Manager, Water Treatment and Manager, Wastewater Treatment, the **Water/Wastewater Treatment Plant Operator** is part of a dynamic team responsible for the day-to-day operations and maintenance of the regions Water/Wastewater Treatment facilities/systems. This position is to help cover temporary vacancies within the department, including vacation coverage, for approximately 2-3 months in length.

What we offer:

- Unionized work environment, with daytime hours from 7:30am-4pm
- Overtime opportunities as required, 7 days/week with the option to bank time
- Annual vacation leave
- Competitive benefits package including health and dental benefits
- Company match pension plan

- Paid training opportunities
- Personal protective equipment and clothing

What we're looking for:

- Must have a high school diploma, or equivalent.
- Two years post-secondary technical certification from an accredited college or university considered an asset.
- Strong knowledge in mechanical and electrical systems and understanding of water chemistry.
- Sound analytical thinking, troubleshooting, planning, prioritization, and execution skills.
- Prior experience and knowledge in the operations, maintenance, and repair fields of Water & Wastewater Treatment, Water Distribution and Wastewater Collection systems
- Must have Class 1 Water Treatment Certification
 - Wastewater Treatment certification is considered an asset

Personal information collected through the recruitment process will be used solely to determine eligibility for employment and handled in accordance with the Freedom of Information and Protection of Privacy Act, Nova Scotia.

Qualified applicants are invited to submit their CV or resume with cover letter (merged into one PDF document) with **"Temporary Water/Wastewater Treatment Plant Operator"** in the subject line no later than **4:30pm on Tuesday August 4, 2026** to the attention of Katie Rose, HR Manager at apply@westhants.ca
