

***Life Time Dog Tag:**

“Microchip” means an approved Canadian Standard encoded tag implanted into a dog, which contains unique code that permits or facilitates access to an owner’s name address and telephone number, which is stored in the municipal registry;

LIFETIME REGISTRATION

- (a) In order to obtain a lifetime registration tag, the owner shall provide proof microchip has been installed, and the owner shall:
 - (i) provide the Municipality with the information required for registration.
 - (ii) provide to the Municipality the identification number of the microchip attached to the dog;
 - (iii) pay the lifetime registration fee.
- (b) Once the requirements listed above have been provided to the Municipality, the Municipality shall issue a lifetime tag to the owner, and supply the owner with a receipt.
- (c) Every lifetime registration and tag shall be effective during the lifetime of the registered dog.
- (d) Lifetime registration and a tag issued under this By-law shall not be transferrable, including not being transferrable between people or dogs.
- (e) Lifetime registration shall only apply to individual dogs and shall not apply to kennels.

I hereby understand the statement above on the requirements of a **LIFETIME DOG TAG**, and that the information given is true and correct.
