RECOMMENDATION or DECISION REQUEST

Council direct staff to identify possible locations within the West Hants Regional Municipality that would be appropriate for a splash pad for the region with the intent to include in the 2025/2026 Municipal Budget.

BACKGROUND

The Regional Municipality of West Hants has been adding elements to our communities that have been enhancing the opportunities for residents to get outside and be active in a family friendly and economical manner.

DISCUSSION

Many municipalities have added splash pads to provide families with an economical way to cool off in warm weather and to get outside and be active in a family friendly manner. Currently, West Hants has a splash pad that is maintained by HMCC in Hantsport but there has been a strong request from the public over the past number of years for another location within the growth areas of Windsor, Three Mile Plains, or Falmouth. A first good step, in my opinion, would be for staff to identify possible locations for council consideration for the 2025/2026 budget year.

NEXT STEPS

If approved, staff to carry out the direction of the motion.

FINANCIAL IMPLICATIONS

There are no financial implications associated with the preparation of this report but there may be financial implications pending future decisions of Council on this request.
