

October 14, 2024

Dear Members of the Municipal Council,

I am writing on behalf of the organizers of the Christmas Angels program, an initiative dedicated to supporting families in need during the holiday season. Each year, we provide assistance to families through gift cards and other means, ensuring they are able to enjoy a special Christmas despite financial challenges.

This year, we are seeking financial support from the council to help us continue this valuable program. Specifically, we are requesting \$5000 to be used to cover things to support our main fundraising event the Webathon which will be happening at Avon View High school. These costs would include but not limited to; janitorial costs, rental and equipment costs, the purchase of signs to promote event etc. Any remaining funds would go towards the support of families with the purchase of gift cards.

The Webathon has become a vital part of our fundraising efforts, and the high school provides an ideal venue to host the event. We believe that with the council's support, we will be able to reach more families and make a meaningful difference in our community during the holiday season.

We kindly ask for your consideration of this request, and we would be grateful for any financial assistance the council can provide to support the Christmas Angels program.

Thank you for your time and for your ongoing commitment to our community. We look forward to hearing from you and are happy to provide any additional information you may require.

Sincerely,

Ashley Wadden
Hants County Christmas Angels Coordinator 2024
