2024-25 HANTSPORT MEMORIAL COMMUNITY CENTRE FINANCIAL STATEMENTS EXCERPT

Since the introduction of an area rate for the Hantsport Memorial Community Centre (HMCC) in 2016, following Council approval and a favourable vote by Hantsport residents, the Municipality has provided annual funding to support HMCC operations, with adjustments over time for staffing needs and inflation. The 2024-25 review shows HMCC recorded a consolidated net surplus of \$98,108, while receiving \$106,522 in area rate funding, a portion of which is being held pending acceptance of financial statements. In accordance with the Area Rate Policy, area rate-funded expenses must operate on a breakeven basis, and municipal staff will continue to monitor HMCC's financial performance.

The recommended motion was that Committee of the Whole recommends ...

COUNCIL ACCEPTS THE FINANCIAL STATEMENTS PROVIDED BY HANTSPORT MEMORIAL COMMUNITY CENTRE (HMCC) AND THAT ANY 2024-25 HOLDBACKS AND ELIGIBLE 2024-25 AREA RATE PAYMENTS BE RELEASED TO HMCC FOR THE PURPOSES OF PROVIDING SERVICES DEFINED IN THE 2025-26 BUDGET.

LEGISLATIVE AUTHORITY

MGA Section 75 – Area Rates and Uniform Charges

- 75 (1) Council may spend money in an area, or for the benefit of an area, for any purpose for which a municipality may expend funds or borrow.
- (5) Charges pursuant to subsection (4) are first liens on the real property and may be collected in the same manner as taxes.

RECOMMENDATION or DECISION REQUEST

Committee of the Whole recommends that:

Council accepts the financial statements provided by Hantsport Memorial Community Centre (HMCC) and that any 2024-25 holdbacks and eligible 2024-25 area rate payments be released to HMCC for the purposes of providing services defined in the 2025-26 budget.

BACKGROUND

Property ☐	Public Opinion ☐	Environment ☐	Social ☐	Economic ☒	Councillor Activity ☐
-----------------------------------	--	--------------------------------------	---------------------------------	--	---

In April 2016, a request for an area rate was made by the Hantsport Memorial Community Centre (HMCC). The CAO responded to the request indicating that an Area Rate Policy was recently passed by Council, allowing the Municipality to collect and transfer revenue for

services provided by HMCC. A copy of the Area Rate Policy was included in the response to HMCC.

Since then, citizens of Hantsport voted in favour of having an area rate for HMCC. The former Municipality of West Hants Council approved a total area rate expense for HMCC for \$54,230 in 2016-17, \$53,780 in 2017-18, and \$54,560 in 2018-19. In 2019-20 the area rate was increased to \$84,560 to allow for a Recreation Director to be hired. In 2020-21, 2021-22, 2022-23, and 2023-24 this amount was adjusted according to the consumer price index.

DISCUSSION

The results of the 2024-25 review engagement for HMCC show a consolidated net surplus of \$98,108. The Municipality, through a Community of Hantsport area rate, contributed \$106,522 for various operational expenses. \$36,883.05 of this total amount has been held back until the attached financial statements are accepted by West Hants Regional Municipality.

As per section 8.2 of the Area Rate Policy, organizations that benefit from area rate funding must conduct their business on a breakeven basis. Any deficit within a fiscal year must be the first charge in the next fiscal year and any reserves or surpluses are not to occur without Council approval of a reserve business case. Although HMCC showed a surplus of \$98,108, section 8.2 of the Area Rate Policy only applies to the specific expenses that are associated with the area rate. Actual expenses relating to the area rate funding are shown in **Note 12 on Page 12** of the financial statements, which includes a portion of the held back amount.

West Hants Regional Municipality staff are happy to see last year's operating surplus has increased going into 2024-25 and will continue to work with HMCC and monitor this throughout the fiscal year.

NEXT STEPS

FINANCIAL IMPLICATIONS

There are no financial implications to the Municipality. The amount to be paid to HMCC for 2024-25 has been collected through the Hantsport area rate.

ALTERNATIVES

- Council could choose to now allow further funds to be distributed to HMCC. If this were to occur, it would be recommended that Council direct staff to place the remaining area rate funds collected into a reserve for HMCC until such a time that Council wishes to redistribute the funds.

INDEPENDENT PRACTITIONERS' REVIEW ENGAGEMENT REPORT

To the Members of Hantsport Memorial Community Centre

We have reviewed the accompanying financial statements of Hantsport Memorial Community Centre (the Centre) that comprise the statement of financial position as at March 31, 2025, and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (ASNPO), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioners' Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioners perform procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Basis for Qualified Conclusion

In common with many charitable organizations, the Centre derives revenue from the general public in the form of donations and also engages in fundraising activities, the completeness of which are not susceptible to us obtaining evidence we considered necessary for the purpose of the review. Accordingly, our review of these revenues was limited to the amounts recorded in the records of the Centre and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenues over expenses, and cash flows from operations for the year ended March 31, 2025, current assets and net assets as at March 31, 2025. Our review conclusion on the financial statements for the year ended March 31, 2024 was modified accordingly because of the possible effects of this limitation of scope.

Qualified Conclusion

Based on our review, except for the possible effects of the matter described in the *Basis for Qualified Conclusion* paragraph, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Hantsport Memorial Community Centre as at March 31, 2025, and the results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (ASNPO).

Notes to Financial Statements

Year Ended March 31, 2025

1. PURPOSE OF THE CENTRE

Hantsport Memorial Community Centre (the Centre) was incorporated by an Act of the Provincial Legislature in 1948. As a registered charity, the Centre is exempt from the payment of income tax under Subsection 149(1) of the Income Tax Act (Canada).

The objectives of the Centre are:

- to perpetuate the memory of those citizens of Hantsport who in the two Great World Wars died in the service of their country while serving in the armed forces of Canada;
 - to own, maintain and make available to the community of Hantsport, recreational, athletic, social and education facilities; and
 - to own, establish, maintain and manage a community centre and such other properties and equipment as may be generally desirable, without profit to the members, and to make such changes as shall be determined by the by-laws.
-

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (ASNPO).

Measurement uncertainty

The preparation of financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and marketable securities.

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, investments in equity instruments that are quoted in an active market are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are subsequently reported at amortized cost, and tested for impairment when there are indicators of impairment.

Transaction costs on the acquisition, sale, or issue of financial instruments which are subsequently reported at fair value are expensed when incurred. Transaction costs on the acquisition, sale, or issue of financial instruments which are subsequently reported at amortized cost are amortized over the expected life of the instrument.

Financial assets measured at amortized cost include cash and cash equivalents, accounts receivable, and investments in bonds.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Financial assets measured at fair value include equity investments which are quoted in an active market.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Inventory

Inventory consists of bar supplies and is measured at the lower of cost and net realizable value, with cost being determined using the first in first out method. Net realizable value is the estimated selling price in the ordinary course of business, less any applicable variable selling costs.

Property and equipment

Property and equipment are stated at cost except for donated capital assets which are recorded at fair market value. Amortization is provided annually on the straight-line basis at rates calculated to write off the assets over their estimated useful lives as follows:

Buildings	20 years
Equipment	5 years
Outdoor facilities	20 years
Chain link fence	20 years
Parking lots	25 years

The Churchill House historic property is not amortized.

Amortization in the year of purchase is recorded at one-half the normal rate. Property and equipment acquired during the year, but not placed into use, are not amortized until they are placed into use.

The Centre regularly reviews its property and equipment to eliminate obsolete items. Property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Restricted funds

The Endowment Funds report the revenues, expenses and net assets related to contributions which are subject to externally imposed stipulations specifying that they be maintained permanently:

1. In 1995 Med Starratt bequeathed \$94,500 to the Centre with the following conditions: "Only the interest shall be used for any HMCC purpose or other recreational purposes within the Town of Hantsport. The principal portion of the bequest is to be invested and not used to fund any aspect of the Corporation or Town of Hantsport."
2. The Roy A. Jodrey Hantsport Memorial Fund (R. A. Jodrey Fund) was established in 1974 with a \$30,000 endowment for the purpose of maintaining the Churchill House. The Indenture stipulates that the income from this endowment shall be used annually to defray the costs of maintenance of the building, as well as taxes, utilities and insurance. Income which is not utilized in a given year shall be accumulated for the purpose of defraying such expenses in the future.

The R. A. Jodrey Income Fund represents the accumulated unused income generated from the initial \$30,000 endowment. These funds shall be used annually to defray the costs of maintenance of the building, as well as taxes, utilities and insurance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Revenue recognition

Hantsport Memorial Community Centre follows the deferral method of accounting for contributions.

- a) Endowment contributions are recognized as direct increases in net assets in the year received.
- b) Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.
- c) Investment income includes dividends and interest income, and realized and unrealized gains and losses. Unrealized gains and losses on equity investments are recognized as revenue in the statement of operations. Investment income is recognized in revenue in the period it is earned.
- d) Grant revenue is recognized when there is a reasonable assurance that all conditions necessary to obtain the grant have been complied with.
- e) Unrestricted donations and bequests are recognized in the year received.
- f) Capital donations and grants are deferred and amortized on the same basis as the property and equipment to which they relate. Where the Churchill House is not amortized, capital donations or grants are applied directly against capital additions when incurred.
- g) Restricted donations are deferred and recognized as revenue in the year in which the related expenses are incurred.
- h) All other sources of revenue are recognized as services are performed and ultimate collection is reasonably assured.

Contributed services and donated goods

Volunteers contribute a significant amount of their time each year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

Donated goods are not recorded in the financial statements because of the difficulty in determining their fair value.

3. FINANCIAL INSTRUMENTS

The Centre is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Centre's risk exposure and concentration as of March 31, 2025.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Centre has a comprehensive plan in place to meet their obligations as they come due - primarily from cash flow from fundraising activities.

3. FINANCIAL INSTRUMENTS *(continued)*

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Centre is mainly exposed to interest rate and other price risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. The Centre is exposed to interest rate risk on its fixed and floating rate interest bearing financial instruments which includes investments in bonds. Changes in the bank lending rates can cause fluctuations in cash flows and interest expense. The Centre does not use any derivatives to manage this risk.

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Centre is exposed to other price risk through its investment in quoted shares.
