RESCIND THE JANUARY 27, 2026 MOTION, THAT COUNCIL REQUEST A REPORT FROM STAFF ON DOING THE MILL LAKES PIPE DIVERSION IN-HOUSE FOR FEBRUARY COMMITTEE OF THE WHOLE MEETING EXCERPT

With respect to the Mill Lakes Diversion Pipe Project tender, uncertainty was raised regarding how Council should proceed. There was discussion about whether there remains a desire to complete the work in-house, pending the completion and presentation of a report to Council. It was suggested that it may be more prudent to defer the project at this time and focus on other priorities. With budget deliberations approaching, Council may gain a clearer understanding of the Municipality's financial position, which will help inform future decisions and identify priorities moving forward.

The recommended motion was that Committee of the Whole recommends ...
