Meetings and Events

Regular COTW and Council monthly meetings

Attending Councillors Town Hall Meetings to hear from residents in those Districts

Attended the International Women's Day Luncheon with Councillor Remme and our amazing staff. It was inspiring to listen to the panelists and their thoughts on "Give to Gain"

Hearing from residents on concerns with developments being proposed in their communities. There is always a Public Information Meeting as well as other opportunities for residents to be engaged in the process.

Looking forward to the Budget discussions starting next week.

I am always available for a call (902 790 1885) should residents have concerns they would like to discuss.
