Meetings and Events

Regular COTW and Council monthly meetings

Budget meetings were informative, and Council approved a budget for 2026/2027.

Chaired the Public Information Meeting for a proposed development on Panuke Road, Three Mile Plains. Was well attended and a healthy discussion with residents on their concerns. No decision has been made on this proposed development.

Residents concerned with developments being proposed in their communities, there is always a Public Information Meeting as well as other opportunities for residents to be engaged in the process.

Was happy to help with the Pride Flag raising at the waterfront. Staff did a great job and residents enjoyed the BBQ.

Lots of discussion on the proposed closure of the Hantsport Library.

Attended a meeting with Mayor Zebian, Councillors with DMA Minister and Deputy Minister at Council Chambers. A healthy discussion on the needs of the West Hants Regional Municipality.

Starting to hear from residents regarding water levels and concerns should we be faced with a drought again this year. Residents need to be prepared and always be diligent.

I am always available for a call (902 790 1885) should residents have concerns they would like to discuss.
