St Croix Community Club
18 Cemetery Road
St Croix, N.S. B0N 2B0

We looking for emergency money to help pay for repairs so the Club can pass the fire inspection.
We have already put a new chimney and emergency lights in which were required to pass the inspection .
So we are looking for \$960.15 to cover the cost.

We also have to get the furnace running, which will require an inspection and repairs to the furnace.
Also have a broken pipe in the wall and the wall will have to be torn apart and the pipe and wall replaced.
The estimated cost is \$1,000.00

The repairs are needed to pass fire inspection so we can continue to have community events.

We also had to dig up the well and repair it. Repair cost \$2993.32 We have great volunteers but need money for all materials.
