I would like to raise my concerns about the reduction of citizens on this committee. These are very important issues to all citizens who elected you to do what was right for our homes & properties. Unfortunately this seems to silence people that care about what is going on in this area. This is a grave injustice to all citizens of West Hants especially considering it was made not public prior to this happening. I would also like a response from councillors especially John Smith as to why this was done.

Respectfully
Donna M Dunfield
