HANTSPORT MAIN STREET RENEWAL TENDER AWARD EXCERPT

The section of Main Street in Hantsport from Tannery Road to William Street was included as a priority for replacement of sanitary/storm/water infrastructure and street renewal in year two of the 2024/25 5-Year Capital Budget based on the age and condition of the underground services and the street surface conditions. The design work for this project was completed over the last year, and the project was tendered in March 2025.

The recommended motion was that Committee of the Whole recommend that ...

COUNCIL PRE-APPROVES THE AWARD OF TENDER WHRMPW25-08 — HANTSPORT MAIN STREET RENEWAL — TO DEXTER CONSTRUCTION LTD. FOR THE TENDERED PRICE OF \$2,221,900.00 BEFORE APPLICABLE TAXES.

COUNCIL PRE-APPROVES A CONSTRUCTION CONTINGENCY AMOUNT OF \$336,285 BEFORE APPLICABLE TAXES.

The section of Main Street in Hantsport from Tannery Road to William Street (see Figure 1-1) was included as a priority for replacement of sanitary/storm/water infrastructure and street renewal in year two of the 2024/25 5-Year Capital Budget. This determination was based on the age and condition of the underground services and the street surface conditions. The design work for this project was completed over the last year, and the project was tendered in March 2025.

This project includes the following infrastructure improvements:

- replacement of 221m of water main and service laterals to the property line
- replacement of 2 new fire hydrants
- replacement of 194m of sanitary gravity pipe and service laterals to the property line
- installation of a new “pre-package” pumping station and approximately 59m of sanitary forcemain to eliminate Willow Brook crossing
- replacement of 229m of storm pipe
- replacement of 7 storm manholes and 9 catch basins
- street reconstruction including concrete curb/gutter and sidewalks on both sides of the street

DISCUSSION

On March 31, 2025, two tenders were received for construction services for the Hantsport Main Street Renewal (Tender WHRMPW25-08), which were reviewed for mathematical checks and compliance by Engineering staff:

Tenderer	Tenderer's Location	Price (before HST)
Dexter Construction Company Ltd.	Wolfville, NS	\$2,221,900.00
Mid Valley Construction (1997) Ltd.	Kingston, NS	\$2,570,100.00

Dexter Construction Company Ltd. is the low bidder for this project. Their submission was fully compliant with the tender requirements. Dexter has significant experience with similar projects within West Hants Regional Municipality and across the province, and is therefore being recommended to Council for award of this project.

NEXT STEPS

Following the award of the contract by Council:

- Sign Form of Agreement with successful contractor.
- Issue Purchase Order to successful contractor.
- Project Engineer will be responsible for contract administration/management.
- Construction to be substantially completed by January 1, 2026.
