Mineral Resource Extraction - 1. Council formally requests that the Provincial Government pause before granting any leases for uranium exploration in our county, to allow time for council and communities to become informed and give input about the potential impacts of uranium exploration on the community and allow sufficient time for the province to conduct meaningful consultations with the public and first nations, and weigh potential risks as well as benefits. 2. Council affirms the importance of safe drinking water for all county residents, both those living in centralized areas serviced by our municipal water systems and those living outside those areas who rely on wells. Council states our intention to investigate how the county might improve the protection of water supplies of residents relying on wells and our municipal water supply. as we undertake this process, we formally request that the province pause before granting any uranium exploration licenses.			Pending Council Approval
