Dear Mayor and all Council,

I thank you wholeheartedly for your unanimous support of the two motions proposed at tonight's council meeting.

Pausing the rush to uranium exploration in order to allow time for information gathering and public engagement is crucial. So too is the effort to safeguard our water.

I deeply appreciate your commitment to our community and your willingness to listen closely and respectfully to tonight's presenters. I also am grateful that you are prepared to take the issue to the Province.

We're all in it together. We share the air, water, and soil, and we can't live without it.

With gratitude,

Karen F. Beazley, PhD
