

WEST HANTS REGIONAL MUNICIPALITY ADVISORY COMMITTEE REPORT FOR Accessibility Advisory Committee

Submitted by: Chrystal Remme, Councillor District 3

Meeting Date: September 25, 2025

Meeting Location: Sweets Corner Community Hall

SUMMARY/UPDATE OF THE COMMITTEE ACTIVITIES:

The Accessibility Advisory Committee met on September 25 at Sweets Corner Community Hall as part of our plan to move meetings around the Municipality. It was a great opportunity to connect with another community space and see how it's being used and maintained.

During the meeting, the Committee finalized its workplan, which was presented to Committee of the Whole in October. The plan is written in plain language and sets out a strong foundation for the important and ambitious work this group hopes to accomplish over the coming year.

While at Sweets Corner Hall, members also completed a short accessibility audit of the building. A summary of that audit will be provided to the hall, outlining some items that can be addressed fairly easily and others that may take a bit more work. These audits may also be helpful for halls and community groups that are looking to apply for funding to make accessibility improvements.

The Committee extends a thank-you to the Sweets Corner Community Hall Board for allowing us to hold our meeting in their space.

ACTION ITEMS:

- Councillors are encouraged to reach out to Councillor Chrystal with suggestions for community halls or facilities that may be interested in hosting a future Accessibility Advisory Committee meeting and audit.
