RESCHEDULE DECEMBER MEETING DATES DUE TO HOLIDAY SEASON EXCERPT

The holiday season brings numerous personal and professional commitments. Historically, meetings during December have been rescheduled to allow staff and Council to balance responsibilities while maintaining governance. Continuing this practice provides a formal break to rest and reflect, ensures transparency and public participation, and avoids conflicts with holiday closures.

The recommended motion was that Committee of the Whole recommends ...

COUNCIL APPROVE THE RESCHEDULING OF THE WHRM COMMITTEE OF THE WHOLE MEETING FROM DECEMBER 9TH, 2025 TO DECEMBER 2ND AND THE WHRM COUNCIL MEETING FROM DECEMBER 23RD, 2025 TO DECEMBER 9TH, 2025 AND THAT NOTICE OF THE CHANGE BE PROVIDED TO THE PUBLIC.

DISCUSSION

The holiday season is a time of heightened activity for many, with numerous family, business, and personal commitments. Scheduling meetings during this period often results in limited representation, making it difficult to achieve quorum or engage in fully informed decision-making. Historically, meeting dates during December have been rescheduled to accommodate the Christmas holiday period, ensuring both Council and staff can balance their professional responsibilities with personal and community obligations.

Adjusting the meeting schedule this year continues that practice, allowing Council and staff to benefit from a formal break period to rest, recharge, and reflect on the year's achievements, while still meeting essential operational and governance requirements throughout December. This approach ensures that both Council and staff return in January refreshed, focused, and prepared to address new priorities and strategic goals for the year ahead.

In order to maintain transparency, ensure public participation, and accommodate the availability of all Council members and staff, it is recommended that the December meeting be rescheduled to a more suitable date. This adjustment will help avoid conflicts with holiday-related closures and personal commitments while maintaining effective and accountable governance.

Rescheduling meetings and formalizing a December break period promotes operational efficiency, enhances participation, and supports overall wellbeing. This approach positions the organization to enter the new year with renewed focus, energy, and alignment on strategic priorities.

NEXT STEPS

Upon approval, staff will issue formal notice of the date change through the municipality's official website, social media, and any other standard communication channels as required. The meeting agenda will be updated to reflect the new date, and any time-sensitive items will be reviewed for relevance or rescheduling as needed. Municipal departments and council staff will be informed of the change to ensure full attendance and preparedness.

FINANCIAL IMPLICATIONS

There are no financial implications associated with this recommendation.

ALTERNATIVES

The following alternative dates are proposed for council's consideration:

- Option A: Continue with the current meeting schedule without making any changes; however, this is not the recommendation of staff.
- Option B: Continue to hold Committee of the Whole on its regularly scheduled date December 9th, 2025 and reschedule the December Council meeting to December 16, 2025.
- Option C: (a date based on council availability)
