Hello everyone,

I hope this message finds you well.

As a resident of West Hants, I am deeply concerned about the recent decision to reduce citizen representation on the PAC/HAC committee, leaving only two members.

While I do not fully understand the reasoning behind this decision, I firmly believe that limiting the involvement of citizens, who bring valuable expertise and perspectives, could have a negative impact on our community.

I strongly urge you to reconsider this decision, removing citizens from PAC/HAC committee, as it does not seem to align with what is best for our collective future. We all deserve to have our voices heard and valued in matters that affect us.

Thank you for your time and attention.

Sincerely,

Alicia Hennessey
