Good morning Abe,

Karen Wallace has mentioned to our groups of players that the Municipality has a plan for a beautiful new multi purpose facility including Pickleball courts.

As a player, avidly 4-5 times per week and advocate for the game, I'm extremely hopeful for all year round courts in West Hants.

I organize a Monday night group that is always over capacity at the Community Center. We often comment, "We could use more courts"!

Thanks for your support,
Holly Ross
