Project Title: Building Climate Resilience in West Hants: All Hazard Risk
 Assessment and Climate Action Plan

Application Number: LLCA-26-1101

Dear Mayor Zebian and Members of Council / John Ogilvie:

On behalf of the Green Municipal Fund (GMF) Council and FCM's
 Executive Committee, I would like to congratulate the West Hants
 Regional Municipality on its successful funding application for the
 above-noted initiative. It is my pleasure to confirm that the West Hants
 Regional Municipality has been approved for a grant in the amount of up
 to **\$70,000**.

In the near future, Sylvie Fontaine will contact the West Hants Regional
 Municipality to finalize the agreement for this funding. FCM's obligation
 to fund the above-noted initiative will only become binding once the
 agreement is executed.

FCM, in partnership with the Government of Canada, oversees public
 announcements regarding GMF-supported initiatives. Until our media
 relations team (media@fcm.ca) contacts the lead applicant or
 municipality to facilitate a media announcement, discussion of the
 application or the funding must remain private, except if reporting to
 municipal council. We kindly ask you to refrain from statements or any
 public form of communication related to the status of the application or
 funding until a media announcement led by FCM and the Government of
 Canada is complete.

Thank you for your interest in GMF. We look forward to working with you to improve the quality of life in your community, and to sharing the results of your initiative with communities across Canada.

Sincerely,

Aymone Agossou
Project Director, Climate-Ready Plans and Processes, Green Municipal Fund
