

WHAT'S NEW?

- Meal delivery packages for cook at home meals (Hello Fresh, Chef's Plate etc.) often have plastic or foil liners stuck to the cardboard boxes. If these layers can't be removed, the cardboard is garbage.
- Microwave ovens, gaming consoles and GPS devices are now part of the electronics recycling. Drop these items for free recycling at New Boundaries 79 Centennial Dr Windsor.
- Automotive oil and glycol containers (includes spray cans like brake cleaners), fluids, and filters must be recycled at drop off locations check <https://ns.uoma-atlantic.com/en/home> to find one near you.
